**NARRATIVE:**

Deric Goytia has an extensive adult criminal history that began at the age of 20. His convictions include carrying a loaded firearm, carrying a concealed weapon, willful cruelty to a child, domestic violence with injury, controlled substance possession with a firearm, evading police, vehicle theft, DUI and false identification to a peace officer. He has served multiple state prison terms, the longest being a 4 year term for domestic violence with injury. Goytia was released from state prison to the supervision of the Los Angeles County Probation Department on December 8, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2016 after he absconded from post release community supervision (PRCS). Goytia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for controlled substance possession with a firearm is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
